

## WELCOME TO CITY KIDS JR!

We are so glad you are choosing to trust us with the care of your children! Here are some details to help your family.

### SAFETY AND SECURITY

#### CHECK IN/OUT PROCESS

All children must have their name tags on before entering their room. They can be stuck to the front or back of the child. We have tags for each child's bag as well. Any bottles or pacifiers will need to be marked with the child's name.

We ask that children not bring any toys from home.

In order to pick up a child, you must have the sticker matching the name tag of that child. If a parent misplaces the sticker, they are able to get it reprinted at the check in counter.

#### BACKGROUND CHECKS

All City Kids Jr volunteers are carefully trained and background-checked before serving with children. During worship gatherings, the barn doors will be closed, so no adults without a volunteer lanyard are allowed back in the City Kids Jr area.

### ALLERGIES & WELLNESS

#### ILLNESS

Children who have shown signs of fever, vomiting, or other contagious illnesses should be symptom-free for 24 hours before coming to City Kids/City Kids Jr.

#### ALLERGIES & SPECIAL ATTENTION

Please notify us of ALL allergies, medical needs, or behavioral special needs so we can best help your children. We provide puffs, goldfish, animal crackers, and cheerios as snacks for children 5yrs old and younger.

Please let one of our volunteers know if you are potty training and your child will need to take frequent trips to the restroom. We also ask that you pack an extra change of clothes in case an accident occurs.
